Plaintiffs,

L&T INTERNATIONAL CORP.,

Defendant.

Civil Action No. 05-0010

DECLARATION OF MARISA  
ALVARADO IN SUPPORT OF  
PLAINTIFFS' OPPOSITION TO  
DEFENDANT'S MOTION FOR  
SUMMARY JUDGMENT

I, Marisa Alvarado, hereby declare as follows:

1. I am over the age of eighteen years old, have personal knowledge of the facts set forth herein, am competent to testify as to these facts if called as a witness in a court of law, and if called would testify as stated herein.
2. On or about February, 2004, I went to L&T to apply for an advertised job vacancy for hand packers.
3. During my interview, Cory Quing asked me who was my employer and if I was willing to transfer to L&T. I told her who my employer was and yes, I was willing to transfer to L&T. She asked me if my employer was willing to release me. I told her yes.

and Health Certificate Fee)

4. A few days later, I got a call from L&T asking me to report to HR office. When I arrived at HR I met with Baby Lopez, who identified herself as an HR staff person. Baby gave me and asked me to complete the Consensual

1 Transfer documents and have my employer to complete and sign them, which  
2 I did. I gave the completed consensual transfer documents to Baby Lopez at  
3 the HR office. Baby Lopez then asked for my health certificate which she  
4 noted had not yet expired. Baby told me that I would need to get a new  
5 medical examination and health certificate before my employment  
6 application/documentation could be completed and processed.

7 5. Baby told me to go to Marianas Medical Center to get the examination.  
8 Because Marianas Clinic was very far from L&T and I knew clinics that were  
9 close, I asked her why Marianas Medical Center. She said that is the one L&T  
10 uses and L&T applicants get a cheaper rate, only \$35.00. I knew that other  
11 clinics charge between \$45.00 to \$55.00 for medical examination. I asked her  
12 how the medical examination and health certificate are going to be paid for.  
13 Baby Lopez said you pay for it now and on your renewal L&T will pay. I  
14 understood this to mean that if I did my job and not violate any company  
15 rules, that I would be renewed for a second year and that during that second  
16 year L&T would pay/repay for the health examination and health certificate  
17 fees.

18 6. Baby instructed me that after the medical examination, I should go to  
19 Health Services at DOL and bring back my health certificate, and at that time  
20 they can complete the processing of my employment application papers.

21 7. About a week or so later, when the health certificate was ready, I picked  
22 it up and gave it to Baby Lopez at L&T. I paid \$35.00 for the physical exam  
23 and \$20.00 for the CNMI health certificate and spent around one and a half  
24 of an hour to complete my medical examination. I was not paid for my services  
25 and time spent getting the medical examination and health certificate.

II.  
CONTRACT SIGNING

8. My first non-resident contract was in 2001. Basically, annually since then, each year, my employers used and had me sign a standard form labor contract provided by DOL. I became familiar with the basic terms of the DOL standard form contract. A copy of such standard form contract is attached as Exhibit "2" to Plaintiffs' Verified/Amended Opposition.

9. In 2004, when L&T HR staff Baby Lopez handed me their contract form, with only the signature page showing, and insisting that I sign, I had no reason to believe it was not the standard DOL form contract. Prior to signing this L&T contract form and at the time it was presented to me in the HR for signing, I was not given an opportunity to read the contract before signing it. When it was presented to me in the HR office, Baby Lopez just pushed the document through the counter-window with the pages turned back, showing only the signature page, and pointed to where I was to sign it, and said sign, which I did without reading it. I asked Baby "Can I read it first? Baby Lopez replied "no, we need to expedite for DOL processing and we need manpower." The HR staff was rushing me and other applicants by insisting that I and the other applicants I saw present, hurry up and quickly sign, without delaying the document processing. From the mood and way the HR staff was acting, I was made fearful that if I didn't just sign the signature page as instructed, I would lose the job opportunity especially since none of the other applicants I saw there held up the line by or took time to read the contract document. I observed the HR staff acting the same way with other workers who signed before and after my turn. Neither Baby Lopez, nor any one else, ever showed

1 me my contract document until the time and date they asked me (us) to sign  
2 at HR. I was never given a copy of the L&T contract document I signed before  
3 my termination on or about May 13, 2004. After my termination I was  
4 surprised when I later learned of some of the things and terms in L&T's self-  
5 styled contract. Had I known that the L&T's self-styled contract contained  
6 terms restricting me from being employed with other competing companies in  
7 Saipan and allowing L&T to terminate me at any time as a reduction in force,  
8 I would not have agreed to it or signed it.

9  
10 III.  
11 PERFORMANCE EVALUATION

12 10. There was no individualized measurement or testing to determine my or  
13 each Packer's individual performance or production. The only production  
14 measurement or test was done by counting the output (production) from each  
15 of the different lines of Packers. There was really no way for me as an  
16 individual packer to control or show an increase in the number of products  
17 because I was just one individual on the line with many others. In the  
18 packing section our work was performed by groups of workers on so-called  
19 lines. The packages or items we were assigned to work on often varied from  
20 day to day. Our Head Supervisors in the packing section were Li, Zhi Min,  
21 Cao, Li Qun, and Wu, Duan Huai, who are Chinese. When I and other Filipino  
22 workers tried to ask them questions regarding our work they could not answer  
23 nor explain because they do not speak English fluently. (See Defendant's  
24 Response to Plaintiffs' First Set of Request for Interrogatories No. 49a).

IV.  
TERMINATION

11. I was employed and worked for L&T International Corporation as a hand packer, from on or about February 2004 to May 13, 2004, when I and other workers in the hand packing section were summoned by the calling of our individual names over the public address system, to report to the Human Resources (HR) office. I believe and understand we were called in two batches, one about 3:00 p.m. and one about 5:00 p.m. (See Deposition of Jack Torres, page 97, lines 14-17).

12. I did not know why we were being called to come to Conference Room. I thought that we were being called regarding receipt of our anticipated ATM Cards that L&T had previously given us and had us fill out an application for, as they told me and other workers present, to make it easier and more convenient for (us) workers to access and get our anticipated bi-weekly wage payments without having to stand in line waiting for and trying to cash payroll checks. I was made more assured of my continued employment and anticipated pay check by L&T having asked me and other workers to set up these ATM accounts to facilitate our anticipated payroll check payments.

13. As we arrived at the designated meeting room, I observed other workers, and Corazon Quing, Malou Ernest and Rhodora Bernabe, known to us as HR staff, were present at the May 13, 2004 meeting.

14. I did not see or hear Corazon Quing read or reading from any document or the so-called "communication plan" as described and stated in Exhibit "A" attached to the Declaration of Corazon Quing.

15. More specifically, I (we) were not told as stated by Corazon Quing that we

1 the workers, had the right to appeal our termination to the "Legal  
2 Department" of L&T or to any one else.

3 16. Neither Malou Ernest, Corazon Quing nor any one else at the May 13,  
4 2004 meeting, informed us, that the purpose of the so-called second check  
5 was "to cover for 10 days pay in lieu of notice," as stated in paragraph 7,  
6 Declaration of Corazon Quing. Additionally, L&T's own RIF policy required,  
7 as proposed RIF workers, that I (we) be given "written notice of separation at  
8 least 15 days prior to the effective date of separation, or severance pay in lieu  
9 of notice." (See Ex. "D" Deposition of Torres, and page 88 lines 6-8 and lines  
10 20-24).

11 17. It was my honest belief that I and my co-workers were terminated on May  
12 13, 2004 and that the termination was effective immediately on and from May  
13 13, 2004, because I (we) were told by HR staff at the May 13, 2004 meeting  
14 that today (May 13, 2004) was our last day of employment and they demanded  
15 that we give up and turn in our company ID cards which were required and  
16 needed for company employees to freely enter company premises; and more  
17 importantly, our I.D.s were swipe-cards for the time-clocks so we could not  
18 clock in or out without them, in addition to being required to "turn over any  
19 and all company properties in your possession... on or before May 13, 2004"  
20 as stated in the Notice of Termination. (See Ex. "D," Defendant's  
21 Memorandum).

22 18. As a result I believed and felt that I was terminated and forced to stop  
23 working on May 13, 2004, the same date that the Notice of Termination (dated  
24 May 12, 2004) was given to me. Hence, I was not given the required prior  
25 notice of termination and/or of the RIF.

1 19. I and the other plaintiffs worked a set work schedule and shift, and  
2 worked Monday through Saturday, seven (7) hours a day, six (6) days a week,  
3 for a total of forty-two (42) hours each work week, which included two (2) hour  
4 overtime each work week while employed at L&T.

5 V.  
6 EMOTIONAL DISTRESS

7 20. The termination, being announced and coming as it did without any prior  
8 notice, counseling or discussion about employment options with other  
9 companies or L&T, caused me severe shock, as a result I began to experience  
10 pains in my chest that has continued until now. As a result of these chest  
11 pains I have difficulty breathing freely and experience shortage of breathe.

12 21. In addition to chest pains and breathing problems, I worried and could  
13 not stop thinking of the loss of work and livelihood. I could not sleep during  
14 the first few weeks after the firing. Even now I can not sleep soundly and  
15 wake up in the middle of the night worrying and thinking about how I am  
16 going to feed and provide for my kids. I lost my appetite, and interest in  
17 whatever I was doing.

18 22. For several months after L&T terminated my employment, I was too  
19 embarrassed and ashamed to go to gatherings of friends and acquaintances  
20 because of fear of being asked about my sudden firing and termination by  
21 L&T. I felt like a social outcast. All these left me physically and emotionally  
22 drained from the severe emotional distress caused thereby. I noticed and felt  
23 that I am not the same person before and after the loss of my job at L&T.

24 I declare under penalty of perjury that the foregoing is true and correct  
25 and that this declaration was executed this 26<sup>th</sup> day of September, 2006.
